How to play:

- Click and hold onto a fruit to pick it up
- Drag the fruit to the QUATRO letters mixer board
- Release the mouse button to drop the fruit onto the mixer
- Experiment by layering different fruits to create your desired beats

QUATRO

DRAG THE FRUITS INTO THE LETTERS TO PLAY

Mixing:

- Use your creativity to explore different combinations and arrangements of fruits to make your beats unique.
- The beat mixing will end when all letters of QUATRO were filled up.
